

REMARKS

Reconsideration of this application is respectfully requested.

The Abstract of the Disclosure, Paragraph 0053, has been changed in accordance with the Examiner's requirement by deleting the term "disclosed" and substituting for it the term - -shown- -. It is respectfully requested that this Amendment B be entered to put the application in the best possible condition for appeal.

No changes have been made to the claims for the reasons given in the Remark portion of Amendment A.

It is respectfully submitted that in applying the cited art the Examiner is completely ignoring the way the various terms are used in both the specification and claims, as stated in Amendment A.

Respectfully submitted,

RAYMOND ZAPPE, Applicant
